## ICONIC - BIG SKY HOME

ONE OF A KIND LOCATION – ONE OF A KIND HOME

Lone Mountain is not for sale, however you will feel like you own it. Iconic-Contemporary home, one of a kind location, one of a kind architecture. World Class views in nearly every direction. Home includes hidden bat-cave like approach to interior parking and car turn-table, home theater and roof top observatory for endless star gazing. Proximate to 5850 skiable acres, 4350 vertical feet and 400 inches of powder. Hike out your back door in Beehive Basin, some of the most breath taking views in North America!

Without question an exceptional investment opportunity and must see for Developers, Builders or Home Owner. Guest wing nearly complete, balance of interior and landscaping remains unfinished. Dan, a licensed Architect is the Listing Agent for this remarkable property and available for an informed opinion of improvements.
